WALKFORD PETITION

A.G.P.C. UK. The peoples Action Group.

We the undersigned residents wish to object to the proposal of both 'Gravel Extraction and or Land Fill' on or near Walkford Farm. As this will lead to increased lorry movements on Christchurch roads, dust, noise, air pollution, the effect on the countryside and property prices and environmental damage. We also object on the grounds that a Refuge Tip will be built as land fill next to an established Burial Ground as a direct result. This is both 'Immoral and unethical'.

Hence we also sign as supporters of A.G.P.C.U.K. The Peoples Action Group.
Document constructed by the Chairman of A.G.P.C. U.K.
